

THE EIGHTH HORSE STORY

The number eight is known for bringing prosperity, luck and good fortune. The horse has, throughout the ages, been known as a solar symbol representing victory, virility and grace.

Eighth Horse wines, made in the warm sunshine of Australia's unspoiled climate, are a celebration of our good fortune to have such a relaxed and enviable lifestyle.

EIGHTH HORSE WINES

2006 CHARDONNAY

Vibrant tropical fruit characters are complemented by subtle, spicy oak nuances. Lovely on its own, or as a partner to fine food, this wine is simply delicious!

2006 SHIRAZ

Luscious primary fruit characters of berries and cassis are enhanced by smooth vanillin oak and a satisfying savoury finish. Enjoy!
