

KENCO®

Kenco Car Care began trading in Australia in 1969 as a car accessory importer.

Kenco Car Care has become a manufacturer, assembler, importer and designer of premium quality automotive car care products. Their research and development team are always looking for new and improved products to help Australians keep their cars clean in the most efficient and environmentally friendly way possible.

Kenco is a 100% Australian family owned company, employing over 50 people directly and indirectly Australia wide. They also have introduced work initiatives with St Vincent's De Paul & The Crowle Foundation.

Kenco team members are the most experienced in their field. Their management team, collectively have over 75 years experience in the automotive industry.

Kenco is considered the market leader of car care application products in Australia with items ranging from air fresheners to micro fibre polish clothes, to chamois and car covers. Their products can be found in independent auto retailers, hardware stores, mass merchandisers, variety stores and national supermarket chains all over Australia.

Kenco Car Care continues to grow and has released over 50 new products in 2006.
