

Ticket To The Moon started in 1997 on the beautiful island of Bali, Indonesia. Ticket To The Moon is the ORIGINAL specialist maker of the parachute hammock and hammock chair.

TTTM offers as well Pocket Frisbee, Mosquito Net, Parachute Beach Blanket, TRAP, Kabuff, Key Ring Bag.

All the items are made from nylon silk parachute which is extremely comfortable and solid, mixing elasticity and breath ability, keeping the body fresh without any point of pressure. Today 40 people work for Ticket To The Moon and the brand is represented in 20 countries around the world.

Ticket To The Moon is a business tribe rather than a company as we don't just sell a product but rather live and promote a lifestyle of harmony and relaxation. Send us your logos as we are able to customise all these products for the same price (2 colours maximum).

HAMMOCK, TARP & MOSQUITO NET

Ticket To The Moon hammocks are made from parachute nylon silk and allow you to travel super light but with comfort and luxurious night sleep.

The TTTM Hammock accessories, the TARP and the Mosquito Net will provide you really a soft and nice night, protected from the wind, the cold, the rain... The TTTM TARP is made of water proof Nylon Silk Parachute. It attaches to the tree above the hammock with separate lines and can keep the hammock dry in heavy rain.
